ID CODE: WINESKIN001, WINESKIN002

ID CODE	DESCRIPTION
<p>WINESKIN001</p>	<p>WineSkin® allows you to protect your bottles one by one, for maximum protection. These are bubble wrap sheets 115g/mq coupled with a sheet of Politene my 150. At the top there is a 3M double-sided adhesive that can hold back the liquid inside. The product is exclusive to Italy for Simi Group S.r.l. in Collaboration with Smartbag S.L.</p> 
<p>WINESKIN002</p>	<p>The new reusable version allows you to protect your bottles without adhesive, and with a comfortable carrying handle. Without changing the quality of the materials, protect your bottle as many times as you want!</p>
