

# PRODUCT DETAILS

## DESCRIPTION: CUSHIONPAPER™

**ID CODE: CARTU001, CARTU002, CARTU003, CARTU004, CARTU005, CARTU006, CARTU007, CARTU008, CARTU009, CARTU010**

The innovative line of cushionPaper™ products comes from cArtù® technology, a real revolution in the world of corrugated cardboard, which reduces by 1/3 the amount of paper needed to make a sheet, but doubles both performance and resistance.

**CushionPaper™ Light:** it is an adaptable and safe product for packaging: it effectively protects even fragile or irregularly shaped products. The innovative shape combines reduced consumption of raw material with exceptional performance. It is ready to use and made with FSC certified paper, recycled and recyclable.

**CushionPaper™ Strong:** it is the innovative product for packaging in hyper-resistant and roll-up corrugated paper. It protects products, even heavy and bulky ones, from shocks and vibrations that occur during transport. It is ready to use and made with FSC certified paper, recycled and recyclable.
