

# PRODUCT DETAILS

## DESCRIPTION: GUMMED PAPER TAPE PRODUCT SHEET

| SIZES   | DESCRIPTION  |
|---|--|
| <p>Standard sizes:</p> <ul style="list-style-type: none"><li>• mm 60 x 200mt</li><li>• mm 70 x 150mt</li></ul> <p>Specific measures upon request</p>  | <p><b>Safety first:</b> The glue on the paper tape joins the fibers of the cardboard and creates a single surface. The gummed paper can not be removed without leaving obvious traces of tampering. You can customize it with a color.</p> <p><b>100% ecological:</b> It is a 100% natural and 100% recyclable materiale. The gummed paper is made of paper and vegetable glue.</p> <p><b>Tenacious at all temperatures:</b> The gummed paper is particularly suitable for food and cold products. Once closed, the box cannot be opened anymore!</p> <p><b>Efficient:</b> A single strip of gummed paper guarantees the sealing of the boxes and therefore a reduction of waste related to the packaging of the products.</p> |

| TECHNICAL DETAILS                  | TECHNICAL DETAILS  |
|------------------------------------|--|
| Support                            | Reinforced Kraft support reinforced with glass fiber                     |
| Total weight                       | 140 gr / mq Tolerance: +/- 4%  |
| Upper sheet                        | 40g / sq.m. weight Tolerance: +/- 5%                                     |
| Bottom sheet                       | weight 40 g / m <sup>2</sup> Tolerance: +/- 5%                           |
| Gramm. adhesive hot-melt adhesive: | 25 g/mq  |
| Vegetable adhesive weight          | 25 g/mq  |
| Gramm. Long glass fiber.           | 6 g/mq   |
| Gramm. Fiberglass Trasv.           | 3 g/mq   |
| Resistance to breaking Long.       | 11 kN/m  |
| Resistance to breakage Trasv.      | 3 kN/m   |
| Delamination                       | 3 min to 60°   |
| Adhesion                           | 71 kp/mm   |
| Tape size Rolls in height          | From 40 to 100 mm - diam. int. 30/70 mm                                  |
| Packaging                          | Corrugated cardboard boxes   |
| Conservation                       | Fears moisture - If properly stored it does not have conservation limits |
| Available colors                   | Avana - White - White / Havana - Printed                                 |
